## About Us

Symmetry Financial Group is the fastest growing insurance marketing organization in the country. Our extensive portfolio of life insurance and annuity products includes Term, Mortgage Protection, Final Expense, UL, EIUL, Disability, Critical Illness, Annuity, EIA, SPIA, LTC, and more. Each of our state licensed representatives are independent brokers, and with that freedom, they have the resources to provide clients with endless options and the ability to customize the best coverage and prices that fit families' needs.

Our most important focus areas include getting agents paid quickly, keeping costs minimal and giving agents the training and support needed to achieve success. We host national conferences and events to support our agents in becoming experts on the industry-leading products we offer our clients.

Learn more about working with Symmetry by visiting [sfglife.com/working-symmetry/](http://sfglife.com/working-symmetry/) or by contacting our recruiter.
